the Parks and Recreation Commission were Lawrence A. Gitschier and Eric Borner. Attorney George Kurtz and Mrs. J. B. Moseley were reappointed to the Library Commission.

Albert M. Dumont, 2765 Arlington Ave., was appointed to the Water Commission to succeed Melville and Jack Brooks was reappointed to another term.

No successor to Peterson on the Civil Defense and Disaster Commission was named, and it was not indicated whether he would continue on that and the Civil Service Board, or be replaced in the former post.

IN OTHER action Tuesday, the City Council voted to request money from the county for improvement of Anza Ave. in the Victor Tract area after Councilman Beasley said he heard from a county official that \$125,000 "might be available for the project."

An investigation into the zoning of property on Cypress Ave. near 228th St. was ordered when a nearby resident protested that a parcel of ground had been "spot-zoned" and that a 13-unit apartment was scheduled for construction.

A REQUEST filed by Torrance Police Officers Assn. that police department employees be given 15 working days off as vacation was referred to City Manager Peebles for additional information on the cost of such a policy if applied to the entire city.

And, the City Council filed an invitation to enter its pet jumping frog in the famous Calaveras County Fair in May.

Pfc. Glenn J. Martin Jr., son of Mrs. Alma Mora, 22701 Enola Ave., recently participated with other personnel from the 8th Division's 505th Infantry in a week-long annual Army Training Test in Germany.

Martin, an automatic rifleman in Company B of the infantry in Mainz, entered the Army in February 1960 and arrived overseas in March 1961.

Hugh E. Boyanton, engine fireman, USN, son of Mr. and Mrs. E. D. Boyanton of 4725 Delamo, is serving aboard the submarine USS Ronquil, which returned to San Diego, Calif., March 28, after a six-month tour of duty with the Seventh Fleet in the Western Pacific.

Armco Steel Earnings in Slight Dip

At Armco Steel Corp.'s annual meeting of shareholders, held at Middletown, Ohio, on April 19, Logan T. Johnston, Armco president, reported that the company earned \$15,008,090 in the first quarter of the year.

This was equal to \$1.01 per share of common stock. Sales for the period totaled

\$245,325,000, Johnston said, and profit came to 6.1 cents on each sales dollar.

By comparison for the year 1961, Armco earned 6.5 cents on each dollar of sales.

JOHNSTON said there was some "hedge buying" of steel in the first quarter and that a normal level of purchases has

not been established in the few weeks since new steel-labor agreements were signed.

"There has been some stretching out of steel orders since the settlement, but this must be balanced against the normal seasonal pickup which we are now seeing in steel products used by the construction industry," Johnston said.

APRIL 26, 1962 THE TORRANCE HERALD

The Armco president repeated his earlier forecast that steel production in 1962 will approach 110 million tons. Last year, 98 million tons were produced.
